

Prime Time

It's been a long and tiring day for Telly V. Shun, but now he was finally home. He always looked forward to this time of day -- just him, alone with his TV. Mano-a-Tivo. Telly plopped down on his couch and flipped through the programs. All his favorite shows were on tonight.

"Let's get started," Telly thought to himself, as he decided on what to watch. He knew that soon enough the TV would lull him to sleep. But what he didn't expect...
