

The Bachelor

Telly found himself in a spacious manor. He immediately recognized it as the set of The Bachelor. He saw the tray with red roses; the Rose Ceremony was going to start soon. Any minute now, 25 beautiful women were going to walk into the room. "Now, **this** I can get used to!" thought Telly to himself.

Each bachelorette was asked to supply a single word to describe herself. Telly had to sort through those before he got to meet them.
