

Single No More

Ian Tullis

The subjects of these clues were single at the time the clues were written, but they've since thrown away the trappings of SINGLE-hood. Keeping that in mind, perhaps you can figure out which matchmaking site they used to find romantic happiness.

Polyphemus's monocle, for example (2 words)

Letting a flat, to an American

What treetops do on a White Christmas

Apt to say things like "letting a flat"

His/her weapon of choice may be a gun or mud

Roman ranks

Tongues or argots

Does what you're probably doing right now between solves

Come in first in parts of a long race (2 words)

"...strings and _____ wax, and other fancy stuff"

Offering goods and/or services in exchange for money

Engage in the above act, flouting Prohibition (2 words)

British author Doris
