

BEST OF—The Wall Game!

by Jill Tallmer

Answers, familiar to all, contain the 6 letters B, E, S, T, O, & F at least once apiece.

If you are first to guess an answer, **DO NOT WRITE IT IN!!!!!!**

DO write a sprightly definition to help other people guess it.

It's fine to add nifty additional clues; please show where the answers go in the alphabetical order.

Underlining means the answers are nouns; #11 is proper. The clue letters are in the order in which they first appear in the answers. Thus, "Football Season" would be rendered as FOTBSE. Clues are listed in alphabetical order of the answers.
