

Social Security Words

Arrange the short words in the social security number pattern xxx-xx-xxxx to make nine-letter words (possibly proper nouns.)

Cross out words as you use them. An example has been done for you.

are	an	bury	<i>arc-he-type</i>
cot	he	cope	
for	if	fore	
leg	is	gent	
per	is	late	
pro	is	late	
pro	mu	mate	
rep	re	rage	
Sal	re	sent	
sax	to	type	
the	xi	type	

On this page, the middle segment is a **state abbreviation** you provide.
