

Noo Moon Sagas

You have 7.5 minutes to write a Noo Moon saga inspired by your palindrome. The palindrome must be the first or last sentence of your saga. Try to use all the words from **Phrases of the Moon**. Every time the bell rings, pass the paper to your left. When you receive the paper, add to the saga, *using exactly two words from the list*. Cross them out as you use them.

Phrases of the Moon
