

TABLE EIGHT CLUE SHEET

1. Embiggened sandy timepiece.
2. Hand over yer Spanish coin, ye scurvy knaves! (Fret not, all yer loot goes to a registered charity.)
3. Killer spectacles.
4. Hit-man seized by the devil.
5. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
6. Someone who studies bugs and also builds them.
7. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
8. A poison dart from a distance was how their love began.
9. Creative skill and cleverness is needed to survive this dank, dragon-filled destination loaded with loot.
10. Underwater menagerie feat of dexterity.

11. Wil (aka Lieutenant junior grade Wesley Crusher)'s words, verbatim.
12. Take this ball of yarn and shove it!
13. And to my baby sister, I leave my polystyrene-bead-filled chair.
14. One who enjoys in small bites a custardy dessert.
15. Japanese robewear supply and demand.
16. Toe touches, misinterpreted.
17. Does the farthest (undisputed!) planet in our solar system look blue because it's full of ghosts?
