

TABLE FIVE CLUE SHEET

1. A poison dart from a distance was how their love began.
2. Someone who studies bugs and also builds them.
3. Nothing could prepare him for the great size, or extent of the cheese curds, fries and gravy he'd encounter after crossing the Canadian border.
4. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
5. Toasted bread cube outline or bounding shape.
6. You think you're a macho cattle wrangler, but in the end, we're all just worm food.
7. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
8. One who enjoys in small bites a custardy dessert.
9. Italian dessert with egg yolks makes me feel more sociable.

10. Toe touches, misinterpreted.

11. President who resigned in disgrace: a poison to the body politic.
12. Creative skill and cleverness is needed to survive this dank, dragon-filled destination loaded with loot.
13. Take this ball of yarn and shove it!
