2. Japanese robewear supply and demand.
3. Toasted bread cube outline or bounding shape.
4. Toe touches, misinterpreted.
5. Solzhenitsyn (for example) urinating.
6. He hid his slow cooker in the safe.
7. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
8. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
9. Bilbo Baggins doing janitoring.
10. Folded paper leaves.
11. Hand over yer Spanish coin, ye scurvy knaves! (Fret not, all yer loot goes to a registered charity.)

12. Does the farthest (undisputed!) planet in our solar system look blue because it's full of ghosts?
13. Italian dessert with egg yolks makes me feel more sociable.
14. My last boyfriend was an exceptionally intelligent person, but this one knows Japanese massage.
15. Killer spectacles.
16. Wil (aka Lieutenant junior grade Wesley Crusher)'s words, verbatim.
