

TABLE SEVEN CLUE SHEET

1. Folded paper leaves.
2. Yes I majored in fudgy treats and I have the document from an educational institution to prove it.
3. Your love of the flaky buttered French pastry might actually be an unhealthy relationship.
4. Someone who studies bugs and also builds them.
5. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
6. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
7. Creative skill and cleverness is needed to survive this dank, dragon-filled destination loaded with loot.
8. Hand over yer Spanish coin, ye scurvy knaves! (Fret not, all yer loot goes to a registered charity.)
9. He hid his slow cooker in the safe.
10. Underwater menagerie feat of dexterity.

11. Take this ball of yarn and shove it!
12. Nothing could prepare him for the great size, or extent of the cheese curds, fries and gravy he'd encounter after crossing the Canadian border.
13. Japanese robewear supply and demand.
14. She said to me calmly but firmly, you're gonna need a couple of fall guys.
15. Killer spectacles.
16. Do not speak ill of my popular Spanish wine punch.
17. Cyborg extinct elephant (and Twitter competitor).
