

TABLE SIX CLUE SHEET

1. Italian dessert with egg yolks makes me feel more sociable.
2. Wil (aka Lieutenant junior grade Wesley Crusher)'s words, verbatim.
3. Someone who studies bugs and also builds them.
4. Toe touches, misinterpreted.
5. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
6. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
7. A poison dart from a distance was how their love began.
8. Creative skill and cleverness is needed to survive this dank, dragon-filled destination loaded with loot.
9. Caveman say: me need Waldorf salad ingredient!
10. Folded paper leaves.

11. Does the farthest (undisputed!) planet in our solar system look blue because it's full of ghosts?
12. Nothing could prepare him for the great size, or extent of the cheese curds, fries and gravy he'd encounter after crossing the Canadian border.
13. Jurassic Park's long-tailed, sharp-clawed, pack-hunting carnivores were savagely fierce, cruel, and violent.
14. Embiggened sandy timepiece.
