

TABLE THREE CLUE SHEET

1. Don't call Saturn's largest moon small or dainty.
2. Picard didn't get his morning tea because the machine needed a squirt of WD-40.
3. Someone who studies bugs and also builds them.
4. You're gonna need to tidy up that French castle when you're done with it to avoid any fees.
5. A poison dart from a distance was how their love began.
6. Creative skill and cleverness is needed to survive this dank, dragon-filled destination loaded with loot.
7. Careful, Jim! That ball of fur is an organic life-form, not a pair of bed-time fuzzy footwear!
8. Your love of the flaky buttered French pastry might actually be an unhealthy relationship.
9. One who enjoys in small bites a custardy dessert.
10. Toasted bread cube outline or bounding shape.

11. Toe touches, misinterpreted.
12. Nothing could prepare him for the great size, or extent of the cheese curds, fries and gravy he'd encounter after crossing the Canadian border.
13. That habitual cell house resident is gonna sing when we lock him up, and he'll do it in a happy, energetic, and avian manner!
14. Wil (aka Lieutenant junior grade Wesley Crusher)'s words, verbatim.
