

START · WRECK · TWO

BY KHID BEYONNNNNND!!!!

PRESENTER SCRIPT

Distribute the 2-page answer sheet to each player, with Page 2 under Page 1.

- You're getting a 2-page answer sheet. **Do not look at Page 2.**
- This game involves **famous people** whose **names are scrambled**.
If you're not good at anagrams, or famous people, you're welcome to pair up with someone who is. Or, you can play on your own.

When everyone has their sheets and partners, introduce the game:

- Everyone knows the best Star Trek movie is Star Trek II: The Wrath of Khan. (Say it with me: KHAAAANNN!) So this game is called **Start Wreck Two**.
- Your mission: Guess a bunch of **famous people** whose **names are scrambled**.
In fact, all the answers are **women** — iconic, well-known women.
Here's how it works:
- Take Page 1 and slooowly move it downward — to reveal the first row, which says **Phrase, Clue, Answer, Points**. Then do that again — slooowly move Page 1 down, to reveal the phrase **KILL BEIGE NINJA**.
- Each round, you'll **START** with a phrase, which you'll then **WRECK** (scramble its letters) to guess the woman's name. You'll have 30 seconds to guess it. If you do, you get **4 points**!
- If not, no worries: you'll get **TWO** more hints. The first is a **one-word clue**.
Here, the clue is **DOUBLES**. You can write that in the Clue box. You'll have 15 seconds to guess it. If you do, you get **2 points**!

- If not, no worries: your last hint is the **woman's initials** — which are **B J K**. You can write those in the Answer box. You'll have 10 seconds to guess it. If you do, you get **1 point!**
- Then I'll read the answer: **BILLIE JEAN KING** — the iconic, groundbreaking tennis player. In the Points box, write the points you got: **4, 2, 1, or 0**.
- Then, on Page 1, there's a handy **checklist** — where you can **CHECKOFF** — **Chekhov**, Star Trek, get it? — the **field** that the woman is famous for. Here, we've checked off Sports, for Billie Jean King.
- Ready? Let's begin:

Each round:

- **The phrase is:** YETI FAN. *(Wait 30 seconds)*
- **Your clue is:** SATURDAY. *(Wait 15 seconds)*
- **Her initials are:** T F. *(Wait 10 seconds)*
- **The answer is:** TINA FEY.
- **Her field is:** TV.
- **Write in your points...**

At the end:

- Now total up your points... *(Wait until that's done)*
- Raise your hand if you got **10 points...** if you got **15 points... 20 points...** *(and so on, until there's one winner.)*
- Congratulations!
